This winter the high school Sunday school group will begin a **comparative religion study**. We will look at all of the major world religions as well as some of the lesser known faiths and secular beliefs and how they relate to (or separate from) Christianity.

Each week we will answer these questions about each faith:
What are the basic beliefs? What are the pillars of the faith?
What is the attraction? How is it similar to Christianity?
How is it different than Christianity?

We will have weekly recap and summary times, so if you miss a couple weeks or are joining us mid-study you will still be able to pick up where we are!

We do not claim to be experts on any of these, except for Christianity (sometimes), but hope that through conversation and discussion we learn more about what we believe as Christians. Portions of each week will be student led. Feel free to come and just listen or participate. We encourage you to share your experiences and what you believe.

9:15am Every Sunday morning @ Potomac Falls HS.

Light breakfast provided.

If you have any questions please let us know.
